

General Practitioner - Romania

[Apply Now](#)

Company: Telemedi

Location: Romania

Category: healthcare-practitioners-and-technical

Telemedi is one of the largest providers of telemedicine in Europe and delivers comprehensive telemedicine solutions for insurers, assistance companies, medical entities, pharmaceutical companies, and national healthcare systems. We offer innovative and high-qualified services that are used by an ever-growing number of patients across the world.

As we are expanding our activity in Romania, we are looking for experienced and ambitious doctors to take care of our local patients.

Your main responsibilities will include:

- Teleconsulting and reviewing patients' symptoms, medical history, and current medications

- Formulating suitable treatment plans

- Prescribing medications to patients, if needed

- Maintaining accurate records of patients' medical history, medications, diagnoses, and healing process, all through our platform

Requirements

- Doctor of Medicine (MD) degree

- An unrestricted license to practice medicine in Romania

- Self employment or having a private practice

Liability insurance

Benefits

Flexible schedule and complete control over working hours

100% remote work through our platform

Participating in an ambitious international project

Collaborating with doctors from different countries

Being part of a young and dynamic team

Please complete the application form, and we will gladly discuss with you all the details of the cooperation.
