

## Middle SAP BW/4HANA Consultant

[Apply Now](#)

Company: Ciklum

Location: Romania

Category: computer-and-mathematical

### Description

**Ciklum** is looking for a **Middle SAP BW/4HANA Consultant** to join our team full-time in Romania.

We are a custom product engineering company that supports both multinational organizations and scaling startups to solve their most complex business challenges. With a global team of over 4,000 highly skilled developers, consultants, analysts and product owners, we engineer technology that redefines industries and shapes the way people live.

### About the role:

As a Middle SAP BW/4HANA Consultant, become a part of a cross-functional development team engineering experiences of tomorrow.

### Responsibilities

As a member of our operations team, you play an important role in ensuring the customer's systems stability and performance

You are responsible for the appropriate and timely handling of incidents

You serve the customer with your professional competence on technical matters around SAP Basis operations

### Requirements

Fluent written and spoken English

Fluent written and spoken German

More than 2 years practical experience with SAP BI products

Good knowledge and practical experience with SAP BW back- & front-end (BW/4HANA, BODS, HANA Native, Business Objects , CDS Views, ABAP)

Reporting know-how with S/4, Predictive or Fiori

Consultative approach to working with the client and the team

### **Desirable**

Experience with SAC/SCP

### **Personal skills**

You are ready to take ownership of part of the scope

You work well autonomously and without close supervision

You act as a team player

You express highly developed communication skills, both toward team colleagues, clients, as well as other stakeholders

You are committed to timely delivery of quality results

You are knowledge seeking, up-to-date with latest SAP technologies and SAP technology trends

You are willing to work in an international/cross-cultural environment

### **What's in it for you**

Care: your mental and physical health is our priority. We ensure comprehensive company-paid medical insurance and Mental Health programs. We also provide you with meal vouchers to fuel your mind and body

Tailored education path: boost your skills and knowledge with our regular internal events (meetups, conferences, workshops), Pluralsight licenses, language courses and company-paid certifications

Growth environment: share your experience and level up your expertise with a community of skilled professionals, locally and globally

Flexibility: Own your schedule – you are the one to decide when to start your working day.  
Just don't miss your regular team stand-up

Opportunities: we value our specialists and always find the best options for them

Our Internal Mobility Program helps change a project if needed to help you grow, excel professionally and fulfill your potential

Global impact: work on large-scale projects that redefine industries with international and fast-growing clients

Welcoming environment: feel empowered with a friendly team, open-door policy, informal atmosphere within the company and regular team-building events
