### YOUR ROLE

Related to the development of our **Finished Vehicles Logistics** department in **Central & Eastern Europe**, **CEVA Logistics Romania** is currently looking for a **Project Management Officer – Finished Vehicles Logistics**.

WHAT ARE YOU GOING TO DO?

#### Project Management

Collaborates with Cluster Project Manager and project team members in project management. Supports project managers in the practical application of project methodology.

Collaborates on the introduction of project management within the Eastern Europe and DECH geo-region.

Supports project culture, knowledge and skills of project team members.

Provides internal and external training to increase the knowledge and skills of project team members.

Consolidates reports from projects and creates comprehensive reports for management.

He / She is directly responsible for leading selected projects and project tasks.

Identifies and evaluates potential optimizations within current business (profitability, productivity, savings) and added value.

Calculates the profit margin using available data and estimates forecasted costs.

Mobilizes internal parties' impact by project(s) around achieving shared objectives and sets up internal deadline for answering project in compliance with client schedule.

Defines and builds adjacent presentation for the conceived logistic scheme and adapts the sales offer to customer needs.

Developed communication skills both internal (mainly with project team) and external (client, top management).

**Business development support in the region :**

Actively seeks new business opportunities in the market in cooperation with local FVL director.

Participates in building price offers.

Communicates with all departments involved in the project.

Participates in launching operational activities for new / existing customers.

**WHAT ARE WE LOOKING FOR?**

Experience in the automotive / finished vehicles transport and logistics field & project management

University degree

Strong knowledge in using practical tools and methods in project management, experience in resource planning.

Excellent management of Microsoft Office (Word, Excel, Power Point) and knowledge of Visio, Project, Access would be a plus.

Very good level of English, any other foreign language will be an advantage.

Very good organizer, with the ability to follow up tight deadlines.

Excellent analytical and communication skills, negotiation and persuading skills.

Ability to work in a dynamic environment, to show initiative and to implement changes.

Availability for business trips in the country and abroad.

As a global organization, and as part of the CMA CGM Group, diversity is critical to our

business success; only when we can reflect the cultures, languages, behaviors and local knowledge of our customers, we can succeed. By employing people with different experiences and abilities, we expand our knowledge and increase our creativity and innovation.

Please note: Legitimate CEVA Logistics recruitment processes include communication with candidates through recognized professional networks, such as LinkedIn or via an official company email address: . We recommend that you do not respond to unsolicited business propositions and/or offers from people with whom you are unfamiliar.
