

Romania Jobs Expertini®

Senior QA Software Engineer

[Apply Now](#)

Company: 3Pillar Global

Location: Romania

Category: computer-and-mathematical

We are 3PILLAR GLOBAL We build breakthrough software products that **power digital businesses**. We are an innovative product development partner whose solutions drive rapid revenue, market share, and customer growth for industry leaders in Software and SaaS, Media and Publishing, Information Services, and Retail. Our key differentiator is our **Product Mindset**. Our development teams focus on building for outcomes and all of our team members around the globe are trained on the Product Mindset's core values – Minimize Time to Value, Solve For Need, and Excel at Change. Our teams apply this mindset to build digital products that are customer-facing and revenue-generating. Our business-minded approach to agile development ensures that we align to client goals from the earliest conceptual stages through market launch and beyond.
