

Settlement Systems Administrator/Romania

[Apply Now](#)

Company: Antal International

Location: Romania

Category: computer-and-mathematical

Job Description

On a daily basis in our client's team:

you are responsible for certification for clearing systems (SENT, REGiS),

you administer the branch employees' rights to settlement systems,

you are responsible for the parameterization of settlement systems,

you liaise with external parties regarding the operation of clearing systems,

you act in accordance with the requirements of the BNR and Transford, among others:

you register and modify users,

you create, modify and assign user profiles,

you manage the issue/renewal/withdrawal of digital certificates on behalf of employees and on behalf of a direct participant and maintain their records in accordance with your own procedures,

you manage the participant's digital certificates within the CPI funnels element.

This position could be yours if:

you have experience in this position,

you have participated in the certification process for SENT or REGiS systems,

you are familiar with SENT/ReGIS settlements also in the context of the type of participation for SENT/ReGIS, including the construction of XML messages (technical and business aspect),

you meet the technical requirements of Transfond, certified to act as an access administrator for SENT and REGiS systems

you have knowledge of the maintenance of SENT and REGIS clearing facilities and systems.
